

“HOME OF HERITAGE & PROMISE”

MISSION STATEMENT

Our mission is to develop the Town of East Spencer and create solutions which empower us to strengthen and build our community and to improve the lives of our citizens.

TOWN OF EAST SPENCER CORE VALUE

DO THE RIGHT THING

Act with integrity, factual information and common sense while balancing the needs of individuals and the community.

DO WHATEVER IT TAKES

Act intentionally and with compassion. Accept responsibility-even when it's not your job. Embrace change like a long lost friend. Deliver more than promised.

TAKE THE LEAD

With positive energy and enthusiasm, identify what needs to be done. Be decisive. Communicate desired results. Take action.

GET THE JOB DONE

Take ownership. Bring a sense of urgency to the process. Focus on the desired result and run through the finish line.

PUT THE TOWN FIRST

Value each other. Place the welfare of the Town over self. Live the concept that “it’s everybody’s job”.
