

TOWN OF EAST SPENCER

“Home of Heritage and Promise”

December 2021

Town Hall Meeting

The next Town Hall meeting will take place on **Monday** December 6th, 2021 at 6:30pm

Town Hall Closure

Town Hall will be closed from December 24 – 27 in observance of Christmas. We will reopen on December 28th. We hope that all of you have a great holiday weekend.

Infrastructure Repair

With the State budget getting signed, the Town of East Spencer will receive \$23.3M dollars in needed funds. These funds will go to the repair, replacement, or refurbish of all water and sewer within the Town. Additionally, the Town will have smart meters placed in all homes to better measure water usage. This should reduce the overall bill for each homeowner. Although the funds will have been allocated, repair is still a long process. Residents should expect to see work starting in Spring of 2022.

Meet the Administrator

The meeting will take place on December 8th, 2021 at 6:00pm. Meeting will take place at the Town Hall and all are welcomed. This is an opportunity to ask and discuss any issue directly with the Town Administrator.

Christmas Lighting Event

The Town will have a Christmas Tree Lighting event on Saturday December 18th, 4-7pm. We will have games, music and food for all that attend. The event will take place

at the old school building across the street from Town Hall. Please make plans to attend.

Council Changes

The Board and I would like to thank the Honorable Albert Smith for his tireless efforts in supporting the residents of the Town of East Spencer. As Mr. Smith leaves the Council, we would like to welcome Mr. Shawn Rush to the Council.

Street Repair

Street repairs have been completed on North and South Railroad, and Henderson St. Several potholes have also been repaired, but there are still several that remain. The Town employees are working quickly to get as many repaired before it gets cold.
